

Динамическая
библиотека

```
graph LR; A[Динамическая библиотека] --> B[Сервер на Node.js]; B <--> C[Flash-приложение];
```

The diagram consists of three rectangular boxes with thick black borders. The first box, located at the top left, contains the text 'Динамическая библиотека'. A single-headed arrow points from its right side to the top of the second box. The second box, located in the center, contains the text 'Сервер на Node.js'. Two horizontal arrows connect the right side of this box to the left side of the third box: the top arrow points left, and the bottom arrow points right. The third box, located on the right, contains the text 'Flash-приложение'.
